

MICHEL ECARD

SAVIGNY-LÈS-BEAUNE
1ER CRU LES GRAVAINS

Michel Ecard is the son of Savigny legend, Maurice Ecard. When Maurice retired, Michel set up his own winery in a tiny cellar. These Burgundies are every bit as impressive as the wines he made by his father's side. No surprise really, as the winemaking is as traditional as his father's, and if anything, the vines are better. The Gravains vineyard, next to Serpentieres, gives a wonderful mix of minerality and red fruit. Great Pinot Noir.
