

CHATEAU DE VALOIS

Pomerol

Terrific organic wine from a small estate: medium-full in body with beautiful minerality underpinning a palate of blackcurrant and plum fruit. Harvested by hand, from land on the border of St Emilion (the estate was formed after part of Ch. Figeac was sold off in 1862). 77% Merlot, 20% Cabernet Franc, 3% Cabernet Sauvignon. No racking of barrels to preserve the fruit so decanting is strongly recommended.
