

# CHEMINS DE FÉLINES

## *MINERVOIS*

---

Syrah and Grenache, the new classic and the old, two grapes that can play very nicely together. Here in the hills of Minervoise (Felines is a little village tucked into the slopes) they reach a wonderful harmony. Black pepper and bacon Syrah meets the ripe cherry and plum of oh-so-friendly Grenache. Another ridiculously great value from rising star Pierrick Harang.
