

DOMAINE DES CAPES GIGONDAS

Domaine de la Maurelle is one of those wineries we like to share only with our friends.

Tucked between the giant production lines of the brands and the heady prices of the superstars, it is a haven of good value. Rich and full-bodied, their Gigondas puts many a Châteauneuf-du-Pape to shame. Black olive and rosemary, ripe plums and thyme meet in testament to the hard winds and southern sun.
