

CALVADOS MORIN 15 YEAR OLD HORS D'AGE

When you take the finest cider apples in the world and carefully distill them into the best apple brandy in the world there's only way to make it better. Time. Morin give this beauty a minimum of 15 years in 300 liter Limousin oak casks in their cool, dark cellars. Though a considerable portion is lost to evaporation (the angels' share) the result more than justifies the cost. The distinct apple notes meld beautifully with complex wood and rancio notes. Memorable.
