### **LIQUORI DI SICILIA**

---

Lemon, Tangerine, Orange, Mulberry, Spice, Laurel, Prickly Pear and Cinnamon! Hand-crafted, with no coloring or preservatives, these liqueurs really capture the purity of the very best fruit and spices. Rita and Josefina Russo grow organic fruit in Partinico Sicily, as well as grapes and olives. In the 1990's they decided to use their grandmother's recipes to make these traditional liqueurs, using the fruit from their own farm. They peel the fruit, they label the bottles...
